

## Support Group for Chinese Families of Children with Disabilities

## 特殊兒童家庭互助組

*Does your child have special needs?  
Do you have a child with health care  
issues?*

*Or, do you have concerns about your  
child's behavior or grades?*

*Support for Families of Children with  
Disabilities is offering a support group to  
Chinese-speaking families of children with  
disabilities and special health care needs,  
including children with suspected special  
needs such as behavior and learning  
disabilities.*

*Come and join us! Meet other families,  
share information, resources, and  
support.*

**Facilitator: Kristine Ky Thai**

**Date:** The second Saturday of every  
month\*

**Time:** 1 pm—3 pm

***During Shelter-in-place this group is  
being held online through Zoom.***
