

SUPPORT FOR FAMILIES OF CHILDREN WITH DISABILITIES

A support and resource organization providing services for families of children with disabilities

Job Announcement

Position:	Bilingual Social Worker
Hours:	Full Time
Salary:	\$68,000 - \$75,000 annually depending on licensure
Position Available:	Immediately

Support For Families of Children with Disabilities is a non-profit organization that offers information, education, and support to families who have children with disabilities. Support for Families partners with parents and the professionals who work with families, to build stronger community, strengthen capacity to support children and families, give every child the opportunities to thrive. Services include a phone line, drop-in center, information and referrals, support groups, parent mentor program, trainings, workshops, community education, special family events, newsletter, and website; all services provided in English, Spanish, and Cantonese/Chinese written.

Support For Families of Children with Disabilities is partnering with The Deamer Group for recruiting and talent acquisition. Please email supportforfamilies@thedeamergroup.com if you have any questions.

Position Summary

The Bilingual Social Worker provides short-term counseling and case management for families facing high-risk challenges and those families with disabilities or other special health care needs. They will work in collaboration with the Support Service Team to provide additional layers of mental health support and resource navigation with our families. The Bilingual Social Worker is an integral member of our team and vital to program success and must be comfortable working with diverse populations.

Licensing supervision requirement hours available to qualified candidates.

Role Responsibilities

- Provide short-term counseling and case management to families on the phone, in person at the office, at home and at meetings
- Work with and support the Family Resource Specialists, Care Coordinators, Case Manager and other SFCD program staff to provide a network of support for families
- Provide information and support as families navigate services with providers in the community
- Represent agency in the community; provide voice for appropriate services for children with disabilities and special needs
- Facilitate outreach activities and maintain connections with relevant community-based resources and agencies in particular mental health supports
- Facilitate and implement specific trainings, workshops, and support groups for families
- Participate in ongoing professional development opportunities in order to remain up to date on best practices as well as new and upcoming information in the Social Work realm to share with families, community, and staff

- Responsible for data collection, creation of Family Service Plans, and maintaining detailed notes about family interactions and contacts
- Provide other related duties as assigned or requested

Ideal Candidate

- Must be fluent in both English and Spanish
- MSW, AMFT, LMFT, LPCC, ACSW or LCSW in the social services field: including mental health, social work, psychology, counseling, family therapy, or related field
- Minimum of two years’ experience in case management and/or mental health services with children and families
- Experience partnering with parents in the design and delivery of services
- Experience working within a team environment
- Knowledge of the range of services in San Francisco for children with special health care needs in particular mental health supports
- Must be culturally sensitive to mental health needs for people from diverse backgrounds as well as the layers of oppression that often impact families
- Strong organizational skills and attention to detail
- Excellent written and verbal communication skills
- Experience in data collection and reporting
- Proficiency in Microsoft Office Suite
