

April-June PROGRAM GUIDE 2023

We are moving

Starting May 1, 2023
our new address is:
832 Folsom Street, Suite 1001
San Francisco, CA 94109

WHO WE ARE

For 40 years, Support for Families has provided life-changing information, education, and parent-to-parent support services free of charge to San Francisco families whose children (aged birth to 26) have any kind of disability or special health care need. We empower families who have concerns about their child's development, are completing assessments, have received a diagnosis, and/or are navigating services.

Support for Families also provides training, coaching, and technical assistance to professionals who work with families, and actively works towards a more coordinated, family-friendly network of services.

HOW WE HELP FAMILIES

- Family Support and Service Navigation
- Support Groups
- Information and Resources
- Fun Family Events
- Parent Mentor Program
- Parenting Classes and Support
- Workshops & Trainings

Services are FREE to families in San Francisco and are offered in English, Spanish, Cantonese and other languages.

FOUNDATIONS OF INCLUSION COHORT (FOR PROFESSIONALS)

We have adapted our Foundations of Inclusion training to a cohort model of trainings. Professionals who commit to the Foundations of Inclusion Cohort will receive a series of trainings focused on inclusion and the laws that protect children and their students, partnering with families, supporting families with developmental screening and referrals to necessary supports, and how to create and implement child support plans. The goal of a new Foundations of Inclusion Cohort is to ensure that professionals feel confident in supporting children within their programs, decrease preschool suspensions and expulsions, and that all families and children feel a sense of inclusion and belonging. To Receive credit and professional development hours, participants must attend all trainings in the series & participate in follow up coaching with an SFCD Team member.

COHORT REGISTRATION:

For those who would like to register for the full cohort series, please fill out the questionnaire and register at the link below:
